Programs are subject to change depending on weather

Saturdays – 10:30am	Sundays – 1:30pm
<p>April 4—Special Event: <i>Bird & Breakfast—Family</i></p> 	<p>April 5—*Wildflower Walk*: Poppies, lupine and grass pinks! Come explore the Nature Area in search of what’s in bloom.</p>  <p>This program will be a hike.</p>
<p>April 11—*Water Wonderful World*: “Water” you doing this Saturday? Join us on a hike to the river and learn about its journey, see what kinds of animals and plants are living in and along its edge and learn how keeping our local waterways clean can make life better for all that share this Earth!</p> <p>*This program will be a hike.</p>	<p>April 12—*Living in Water*: Discover the hidden world of water insects and polliwogs! Using catch and release activities, get a close-up look at amazing little animals that live in our pond and can be found in our local waterways.</p> <p>*This program will be a catch and release activity.</p>
<p>April 18—*Birding for Families*: Bring the family out for birding and a nature walk led by a Naturalist and our special guest guides from the Sacramento Audubon Society. Birdwatchers of all ages welcomed. Make sure to bring your binoculars or borrow a pair from us!</p>  <p>*This program will be a hike.</p>	<p>April 19—*Gifts from Mother Earth*: Come make a craft with materials from the natural world. This Sunday we will be making abalone necklaces—a fun experience for the whole family!</p>  <p>*This program will be a craft.</p>
<p>April 25—*Scales and Tails*: Join us for this program and build a better understanding about reptiles, fish and amphibians and their important roles in their habitats. Program includes PowerPoint presentation and close-up observation of a variety of cold-blooded creatures.</p> <p>*This program will be a presentation.</p>	<p>April 26—*Spring Egg-stravaganza!*: Join us for a program that celebrates animals that hatch from eggs! Egg-zamine our nest and egg collection, then hit the trails in search of nests.</p> <p>*This program will be a presentation and a hike.</p>
<p>Did you know that Robin eggs are blue because of pigments in the mother robin’s blood?</p>
